No. Rc.6243/53 F.1, dated 4th February 1953.

Sir,

Sub: Foreign Service - Sri Shaik Mohammed Ismail -Co-operative Sub Registrar - Loan of services to the Harpanahalli Cooperative Marketing Society Ltd. to work as its Special Officer - Enhanced deputation allowance - Sanction - Requested..

...

As the Committee of the Harpanahalli Cooperative Marketing Society Ltd., was not functioning properly, it was superseded for a period of six months from 7-7-51. The period of supersession was extended upto 6-1-'54. The services of Sri Shaik Mohammed Ismail, Cooperative Sub Registrar, were lent to work as its Special Officer during the period of supersession under the delegation under Rules 110(c) and 114 of the Fundamental Rules. He was given a special pay of 25% over his grade pay during the period of foreign service. The Special Officer has now represented that he might be given an enhanced special pay of 50% over his grade pay considering the arduous nature of his work and his efforts to develop the business of the society.

P.T.O.

By dint of his strenuous efforts, the Special Officer developed the business of the society considerably in spite of adverse seasonal conditions and malicious propaganda carried on by the ex-office bearers and disgruntled employees. During the year 51-52 he handled agricultural produce worth Rs.3,41,630-13-9, which worked out at two and a half times the value of the produce that was handled by the previous management in any one of the years. He recouped the loss of Rs.7,123/- sustained during 50-51 and earned for the society a net profit of Rs.11,813-4-0 for the year 51-52. During the period 1-7-52 to 30-11-52, he realised a sum of Rs.14,086-4-10 as commission on sales of members produce. I enclose a statement showing the financial position on the date of supersession i.e., 7-7-51 and on 30-11-52. It may be seen that the society worked at a profit of Rs.20.916-6-6 on 30-11-52. The number of members on the rolls of the society rose from 1,780 on the date of supersession to 1,908 on 30-6-52. The society is constructing a second godown out of Government subsidy and it is nearing completion. With the expansion of business, the Special Officer's work has become all the more onerous and he has to fight against many odds to carry on the administration of the society. I, therefore, request that Government may be pleased to sanction Sri Sheik Mohammed Ismail, Cooperative Sub-Registrar special Officer of the Harpanahalli Cooperative Marketing Society Ltd., a special pay of 50% over his grade pay from 7-1-1953 during the period he works as Special Officer of the society and order its recovery from the society.

'p' above -------

K | I submit that there is no need to obtain the consent of the society to meet the expenditure on account of the proposed sanction of the enhanced deputation allowance to the Special Officer appointed under section 43 (I) as he has taken the place of the committee, which usually applies for the loan of services of officers. While superseding the committee of the society, in virtue of the powers vested in me under Section 43-(3) of the Madras Cooperative Societies Act, I directed that the Special Officer shall be paid his grade pay plus 25% over it during the period he was in charge of the society. I now consider that he may be paid a deputation allowance of 50% over his grade pay in view of the good work done by him and the onerous duties involved consequent on the expansion

I request the orders of Government for raising the deputation allowance from 25% to 50% under Rule 114 of the Fundamental Rules.
